Narrowing down & Searching

- ☐ I have used the following platforms to search for published research data:
 - ☐ search engines such as [OpenAire](#), [Google Dataset Search](#), [Google Scholar](#) or [DataCite](#),
 - ☐ interdisciplinary research data repositories such as [Zenodo](#), [Figshare](#) or [Dryad](#),
 - ☐ research data repositories for my discipline, which I can find via [re3data](#).

Conditions & Use

- ☐ I have checked to see which conditions of use the authors and platform operators stipulate for the data (e.g. via licenses).
- ☐ In cases where personal and sensitive data is involved, I have clarified and taken measures required by data protection law (e.g. informing those affected, anonymization).
- ☐ I have referenced the data I have used in my publications.

Questions & Support

- ☐ If I have any questions, I can contact the Thuringian Competence Network for Research Data Management.
